# Virtual Space (Virtual Reality)

# Meeting

A futuristic digital landscape. The foreground is a glowing blue grid floor that recedes into the distance. On either side, there are wireframe mountains made of multiple overlapping lines. In the center, a glowing blue circle contains a silhouette of a city skyline. Above this, a large purple planet with a blue ring orbits, with a smaller blue planet above it. The background is a dark space filled with small pink and blue stars.
